

Dear Dr. Lupoiu,

I am writing to thank you ever so much for making my device implant possible. I had nearly lost hope after years of failed surgeries and then I was thankfully referred to you. You truly are a miracle worker, and I will highly recommend you to anyone I know that may require your expertise. I am thrilled with the final result and enjoying corn on the cob again!

Best wishes to you and your wonderful team for a wonderful holiday season and a prosperous New Year!

Gratefully,
Christa
